<I²CNER International Workshops>

<Date> 12:55 pm- 5:20 pm, 2nd February 2018
 <Venue> I²CNER Hall A, Ito Campus, Kyushu University
 <Language> English
 <Theme> Hydrogen Activation for Efficient Materials Transformation

<Program and Speaker>

Time	Program and Speaker
12:55-1:00	Opening remarks Prof. Miho Yamauchi (I ² CNER, Kyushu University)
1:00-1:30	Plenary lecture Prof. Chang Ho Chol (Chuo University) Title : TBD
1:30-1:45	Invited lecture Speaker: TBD
1:45-2:00	Invited lecture Speaker: TBD
2:00-2:20	Break
2:20-2:50	Plenary lecture Dr. Takanori Shima (Riken) Title : Molecular Multimetallic Polyhydrides: Activation and Functionalization of Dinitrogen and Aromatics
2:50-3:05	Invited lecture Speaker: TBD
3:05-3:35	Plenary lecture Prof. Kyungsu Na (Chonnam National University) Title : TBD
3:35-3:55	Break
